**To:** Frank Friedman **Date:** 29 March 1989

**From:** Chris Hardin

**Subject:** PM 1311 - SUBSTITUTE SMOKING DEVICE USING PRESSURIZED GAS OR LIQUID FUEL (Decker and Sprinkel)

Jim has received a letter from Christopher Godziela at Fish & Neave who is working on this case. Mr. Godziela has requested more detailed descriptions of the ignition switch mechanism and the valve assembly before he can proceed with preparation of an application. Please have the inventors provide Jim with this information. Thanks.
